March 2019

Dear Resident

Storm and floods on 27th May 2018

We are writing to you either because you contacted MK Council regarding the torrential rain and flooding that happened in May 2018 or because there was flooding near to where you live.

In November 2018 we commissioned an independent review to better understand:

- The effect of the flooding in MK;
- the response and recovery from members of the public, MK Council and other organisations;
- and what could be improved in the future.

We are currently gathering comments from people and organisations affected by the flooding and would very much appreciate your feedback. If you can help, please complete the enclosed questionnaire and return it by Monday 8th April 2019 to:

Milton Keynes Council
Business Reply Plus RTZU-ETXR-HRZG
MK Waste Recovery Park
9 Dickens Road
Milton Keynes
MK12 5QF

This is a freepost address, so no stamp is needed. Alternatively you can answer the questions online at <http://www.milton-keynes.gov.uk/flood>. If you would like to email any photos or plans please send these with your full name and address to: LLFA@milton-keynes.gov.uk

Later this year we will publish a report on what we have found. Thank you in advance for any feedback you share.

Yours faithfully

Ashish Patel
Flood and Water Management Officer
